†Sri KADIDAL MANJAPPA.—Sir, Satyagala village consists of Government land as well as inam land. The land revenue in respect of Government land is 430-93 nP.

Sri G. VENKATAI GOWDA.—Is it not a fact that the Jagirdar is entitled to the entire land revenue of that village?

Sri KADIDAL MANJAPPA.—Not the entire land revenue.

Sri G. VENKTAI GOWDA.—Will the Government examine whether they own any land there at all?

Sri KADIDAL MANJAPPA.—The information received shows that there are Raiyatwari land and inam lands.

Sri U. M. MADAPPA.—Have you taken action to extend the Inam Abolition Act to this area?

Sri KADIDAL MANJAPPA.—There are a few Inams which are yet to be abolished and we are at it.

Sri G. VENKTAI GOWDA.—Is it not a fact that out of the land revenue collected from inam lands, the panchayets and taluk board are entitled to receive their quota?

Sri KADIDAL MANJAPPA.—That has been conceded.

Sri G. VENKTAI GOWDA.—Will you please take setps to see that the land revenue collected from the inam lands namely 30 per cent and 20 per cent are made over to the local bodies?

Sri KADIDAL MANJAPPA.—This point has to be examined whether the amount that has go to the inamdar is liable to be approtioned is a matter to be examined.

Sri G. VENKTAI GOWDA.—Under the Mysore Village Panchyat and Local Boards Act, the local bodies are entitled to receive 30% and 20% out of the land revenue irrespective of the agency to which it goes. Such being the case, will the Government take steps to see that the local bodies will get their proportionate amounts?

Sri KADIDAL MANJAPPA.—I will get it examined.

SUPPLY OF ELECTRICITY TO MALKED VILLAGE OF SERUM TALUK.

*Q.—1003. Sri J. P. SARWESH (Serum).—

Will the Government be pleased to state:—

(*a*) whether they have completed the survey of Serum Taluk and of Malked Village for the supply of electricity to those places;

(*b*) if so, when the work of installing electricity in both places will be taken up;

(*c*) whether they intend to take up the work during the current year and if not, the reasons for the delay?

A.—Sri H. K. VEERANNA GOWDH (Minister for Public Works and Electricity).—

(*a*) Yes. The etimates are under scrutiny of the Mysore State Electricity Board.

(*b*) The question of power supply to Serum Taluk will be taken up when 110 kV line is extended from Munirabad to Shahabad and a sub-station is installed at Shahabad. It is scheduled to be completed by the end of 1962.

(*c*) The work of extension of 110 kV line is being executed. Distribution work in connection with the electrification of villages will be ready by the time the line and sub-station are commissioned.

Sri J. P. SARWESH.—Is it not a fact that the ex-Hyderabad Government approved this Munirabad scheme of extending the 100 KV line to Shahabad and the reasons for such prolonged delay.

†Sri H. K. VEERANNA GOWDH.—Now that area is within the jurisdiction of the Mysore State. The Mysore State Electricity Board has to do it. The line is being drawn and a sub-station at Shahabad is being constructed. It may take some time before the whole thing is completed and power will be supplied. Both, the construction of the sub-station and drawing of lines should be completed.

Sri J. P. SARWESH.—To how many villages does the Shahabad Sub-station supply power Sir ?

Sri H. K. VEERANNA GOWDH.—The number of villages to be served by that station has to be obtained if necessary. It is not here with me.

ಶ್ರೀ ಎಚ್. ಕೆ. ವೀರಣ್ಣಗೌಡ.—ಶ್ರೀಮಾನ್ ಸರ್ವೇಶ್ ಅವರು ಕೇಳಿದ್ದು ಆಷ್ಟೇ ಅದರೆ ಇಷ್ಟೇ ಗ್ರಾಮಗಳಲ್ಲಿ ರಿಸರ್ವೆ ಕೆಲಸವಾಗಿದೆಯೆಂದು ಹೇಳಲಿಕ್ಕೆ ನನ್ನಲ್ಲಿ ಈಗ ಅಂಕಿ ಅಂಶಗಳಿಲ್ಲ.
